SAM WIRELESS PRINT

[Click Here to return to the library home page](#)

Thank you for using our wireless Printing Service.

Do you want to print to the library's printer from this wireless network?

If Yes, proceed to options A or B. If No, click [Here](#).

Option A - If you are a first-time user:

- Click [Here for Windows XP/Vista 7.8 users](#)
- Click [Here for Mac OSX users](#)
- Click [Here for Android users](#)
- Click [Here for iPhone, iPad and iPod users](#)
- Click Yes to download and Run
- A small window will appear on the bottom right corner of your desktop.
- Click on Login and then enter your library card number and PIN.
- At this point, any print job you submit the "Wireless Printer" can be retrieved at the Print eRelease Station.
- To continue after installing, click [Here](#).

Option B - If you are a returning user:

- Go to Start-> Programs -> Wireless Library Print System -> Wireless Print System.
- A small window will appear on the bottom right corner of your desktop.
- Click on Login. Then log in with your library card number and PIN.
- At this point, any print job you submit from your device can be retrieved at the Print Release Station.
- To continue after logging in, click [Here](#).

Uninstalling Print Module from your laptop:

If you no longer need Library Wireless printing and are ready to uninstall the print module from your laptop, follow these steps:

Windows Users: Go to → Start → Programs → Wireless Library Print System → Uninstall Wireless Library Print System. This will completely remove the print module from your wireless service.

Mac Users: To uninstall, simply drag "Print Control" to the Trash.
