APPLICANT AGREEMENT

I understand that if any assistance is needed in setting up equipment or involves computer-related equipment, I will make arrangements with the Adult Services Department at least 48 hours prior to the meeting time. I understand that I will be responsible for and must make good any damage to the library's equipment while it is in my use. **I further understand that use of video-projection equipment must cease at least 30 minutes before the library closes** to allow for shutdown procedures.

Signature of person completing this application form

Date

Please notify the Adult Services Department of any problems with equipment.
